It has been also observed that there is a authorised electric Connection against Commr id - 202356456 in the name of SK Alam in spite of that SK Alam was enjoying electricity dishonestly by way of direct hooking. The Service Connection has been disconnected from pole side on 07.01.2019.

From the arrangement I seized the following articles:-

- ① Two nos single core PVC Cable with two nos hooking device at length 27 feet approx.
- ② One no electric bulb (100W) with holder.

Seizure list was prepared at the site and the representative of WBSSEDCL signed on it as the local people along with the accused refused to sign on the seizure list. The Inspection team left the premises on 07/01/19 at about 17:00 hrs.
