BDO Barabazar that around 300 (approx.) unknown women of Self Help Group had assembled at Tumrasole Gram Panchayet office under this PS area over the issue of enrolment of their name in NREGA scheme. Initially a hot altercation happened between women of self help group and member of GPs. Soon they started assaulting the Pradhan and Upa Pradhan of Tumrasole GP and damaged some furniture of the said G.P office. Subsequently the information was passed to the BDO Barabazar and through Duty Officer and he requested to look into the matter and the matter was diarised vide GDE No. 405 dated 08.05.2017. As I was already on duty vide MCC No. 1565 dated 08.05.2017 the said information was imparted to me. Accordingly, myself along with SI Hemanta Kumar Sahababu, ASI Shymal Chandra Mandal, ASI Sarif Ali Khan, ASI Gran Sankar Pati, ASI (AB) Kartick Chandra Pal & 09 Constable and 02 Lady Constable proceeded to the spot, i.e. Tumrasole GP office to work out of the information. On arrival at the Tumrasole GP Office I found that the main entrance of the Tumrasole G.P Office was blocked by the unknown 300 women (approx.) who were shouting against the Pradhan and Upa Pradhan of said GP. I requested them to let me know what had happened actually there and also reason of their assembly but they were found more furious and were not listening to my words. I tried to pacify them but all went in vain. Meanwhile reinforcement was made from Purulia Police Line and 10 lady constables arrived to assist me to perform law and order duty there. It was found that the GP office was virtually locked by the agitating women. With the assistance of my Lady Police I again tried to pacify them but they did not pay any heed to my words. Even I was not allowed to enter into the GP Office. In the mean time, a group of men suddenly appeared from side outs and joined the women to strengthen their demand. This group of men were instigating the agitating women to continue the shouting and not to cooperate with police. Under this circumstance I declared the assembly of people unlawful and commanded them to be dispersed but they became more violent and started pelting stones and brickbats aiming at Police following which one Lady Constable 366 Archana Mahato was injured on her forehead severely. She was bleeding profusely. Some officers and constables also sustained injuries. Having no other alternative way I had to arrest the aforesaid accused persons with strict regard to decency from the spot with the help of lady constables and took initiative to disperse the assembly of the people from there. Lady Constable 366 Archana Mahato was shifted to Barabazar BPHC for her treatment. The doctor referred her to Sadar Hospital, Purulia for better treatment. Accused persons were offered free medical check up but they did not require.

I therefore, request you to record a specific case against the arrested accused persons and unknown 300 others (approx.) women and a group of men for rioting, unlawful assembly, obstructing the Police from discharging duty and assaulting the Police personnel who were on duty and to arrange for its investigation.

Date: 08.05.2017.
