Sub: Complaint regarding serious threat faced by the authorities of the YSS Lakhanpur Ashram and Boys' School

Sir,
This is to inform you that on May 18, 2017 around 8.30 am around 30 to 40 people of Lakhanpur village came into the Fogoda Satyanga Lakhanpur Ashram and gheraoed the Secretary of the Fogoda Ashram and School for about 2 hours. They abused the Secretary and used filthy language against the Head Master of the Boys School who was not present at the spot. Their language was extremely filthy, abusive and disgusting. Their demand was that the legal notice served on some village people to vacate the school land no. 1192 is illegal and the Secretary must admit in writing that the notice served was illegal and it has to be withdrawn with immediate effect. They even threatened to physically remove the Secretary from the Fogoda Ashram premises. They have also threatened to remove the Ashram appointed Secretary from the Ashram quarters provided by the Ashram and have threatened to lock up the Boys' School gate and prevent the Head Master to run the school. It was apprehended from their violent movement and gestures that they perhaps some prepared with an intention to carry out their ultimate violent mission.

Their language and attitude was extremely violent and if they continue their behaviour, they will pose a very serious threat toward running of the School and the Ashram. We had to inform the SDO, Hura, and the DC, Nua P.S. about the 'gherao'. On receiving a phone call from the DC, the people left shouting in filthy language and threatening to remove the Secretary from the Ashram quarters and the Head Master from the Boys School. After getting out of the Ashram premises, I came to know that these people were waiting outside the Boys School side gate in large numbers with an intention to heckle the Head Master.

The situation has taken a very ugly turn and it is not possible to safely run the school and the ashram under these conditions. We are afraid that any kind of dangerous situation might erupt at any point of time. The future of hundreds of students of this institution which was recently awarded as the best school of the district will be jeopardised if such elements are allowed to continue this way.

Some of the persons who had 'gheraoed' and threatened the Secretary and used filthy and abusive language under the leadership of Mr. Bharat Neogi are from Lakhanpur village and were identified as:
