## To The Officer in charge Raghunathpur P.S. Dist. Purulia

Sir,

In producing herewith one dumper (06 wheeler) bearing No. WB 37B/4170 loaded with stolen dust coal approx 10 MTs with proper seizure list. Fact of the case in brief is that on 11.08.17 myself along with C/08 Tapan Kr Mahato and C/1517 Tinkari Chakraborty were on evening mobile duty on Barakar - Purulia road and received a source information that the above noted vehicle is coming loaded with coal from Neturia side towards Raghunathpur. After receiving this information, I informed the matter to O/C Raghunathpur PS and as per direction of O/C Raghunathpur we had been to Barakar - Purulia road near Jharukhamar Bridge and placed Naka Checking with a view to intercept the said vehicle. At 21:05 hrs we found that one dumper is coming from Neturia side. Seeing police party the driver of the said dumper attempt to flee away with the dumer but on being chased the driver stopped the dumper on road and fled away in the dark side beside the road. I searched the dumper and found that about 10 MTs dust coal loaded in this dumper and the key of the dumper has been left away in the dumper by the driver. We searched the surrounding area with torch light to find out the driver but failed to trace out him. No public witness was available there at night hours. It is reasonable to believe that driver and owner of the said dumper collected the said dust coal either theft or by any illegally means and transporting to run a clandestine business for wrongful gains and habitual to run this business. So the driver and owner of the said dumper are liable for punishable offence U/S 379/411/413/414 IPC, I seized the said dumper loaded with approx 10 MTs dust coal under proper seizure list.

I therefore pray that kindly lodge a FIR against the driver and owner of the dumper bearing No WB 37B/4170 as per law and arrange its investigation.
