Sir,

In producing herewith the arrested accused persons namely **1)** Sohan Mudi(38 yrs) (driver of dumper bearing registration No JH10BE/5840) S/O- Shreeram Mudi **2)** Jagannath Mudi(34 yrs) (helper of dumper bearing registration No JH10BE/5840) S/O- Baidyanath Mudi both of Vill-Chandankeyari, PS- Chandankeyari, Dist- Bokaro(Jharkhand) and **3)** Ashok Kumar Singh (38 yrs)(driver of dumper bearing regn no JH10BA/8764) S/O- Lt Ramprasad Singh of Vill-Senidih, PS- Katras, Dist- Dhanbad(Jharkhand) and 02(Two) seized dumpers bearing registration No JH10BE/5840 and JH10BA/8764 loaded with approx 10(ten) MT steam coal in each dumper along with seized all relevant documents in respect of the coal loaded in the dumpers and 03 MT and 04 MT respectively from the P.O as per seizure list . Fact of the case in brief is that today i.e on 07.09.2017 myself along with C/530 Shankar Mahato, C/347 Manas kr Pathak and C/202 Sandip Adhikary were performing evening mobile duty at Tetulhiti morh on Raghunathpur- Chandankeyari pitch road. During evening mobile duty at 21:15 hrs received a credible source information that the above noted 02(two) dumpers bearing regn No JH10BE/5840 and JH10BA/8764 were standing beside road near Rukni morh and the driver and helpers of both the dumpers are unloading coal with a view to replace the original coal. I informed the matter to O/C Para PS and as per his direction myself along with force proceeded towards the spot. When we reached to the spot i.e near to Rukni morh found the above noted 02 dumpers bearing regn no JH10BE/5840 and JH10BA/8764 were standing there and drivers and helpers of both the dumpers noted above were unloading coal from the dumpers and 3/4 persons were standing beside the dumpers. Seeing the police party they fled away, but We could be able to intercept the driver and helper of dumper bearing regn No JH10BE/5840 and driver of dumper bearing regn no JH10BA/8764. On search found that the dumper bearing registration No JH10BE/5840 loaded with approx 10 MT steam coal and approx 03 MT steam coal is on the ground which was unloaded from the said vehicle and another dumper bearing registration No JH10BA/8764 loaded with approx 10 MT steam coal and approx 04 MT steam coal is on the ground which was unloaded from the said vehicle. I searched the cabin of dumper bearing regn No JH10BE/5840 and seized **1)** One original loading advice cum Road Challan of Bharat Coking Coal Ltd. **2)** One original weightment slip of Bharat coking Coal Ltd. **3)** One original Transport Challan of Bharat Coking Coal Ltd **4)** On original Challan of Om Sharda Logistics Pvt Ltd, all are in respect of dumper bearing regn No JH10BE/5840. I also searched the cabin of dumper bearing regn No JH10BA/8764 and seized **1)** One original loading advice cum Road Challan of Bharat Coking Coal Ltd. **2)** One original weightment slip of Bharat coking Coal Ltd. **3)** On original Challan of Shree Enterprises (Coal Sales) Pvt Ltd, all are in respect of dumper bearing regn No JH10BA/8764. I seized all the above noted articles under proper seizure list in presence

of available witnesses duly signed by them. On asked driver and helper of dumper bearing regn No JH10BE/5840 and driver of dumper bearing registration No JH10BA/8764 confessed their guilt as well as from local enquiry it could be learnt that both the dumpers loaded with coal were to be dispatched to the authority of R.T.P.S Raghunathpur and on the way the driver and helper of dumper bearing regn No JH10BE/5840 and the driver of dumper bearing registration No JH10BA/8764 were replacing the original coal by the cheap and lower quality coal. On this way they have been running this clandestine business. They are habituated with this type of activities. Accordingly I arrested the above noted accused persons after observing all legal formalities.

Therefore I pray before you that a case may kindly be started under proper section of law against the above noted accused persons and arrange for its investigation.
