To  
The Officer in Charge,  
Neturia Police Station,  
Dist. Purulia.

Dear Sir,

We would like to draw your kind attention that our staff bus and other vehicles come regularly in shifts from Parbalia side. Today morning, at 8 am, when the staff bus was coming with the shift, local miscreants ( under the leadership of Hare Ram Singh ) stopped the bus and threatened the workers, resulting in their resignation and quitting the plant. An atmosphere of fear has arisen and this has not happened for the first time, they have done this twice before in the last month also.

Sir, as you are already aware that Shakambhari Ispat And Power Ltd was a sick unit and was shut down for many years. We took over the management of this plant and by God's grace, we not only commenced production, but also invested more than Rs 500 crores and are even going for further expansion of approx. Rs 1000 crores, creating employment for the local people. We, are the highest tax payers in the Purulia district. Not only this, off late we took over Bravo Sponge and Iron Pvt. Ltd. ( also a sick unit ) and generating further employment in that factory too and are also investing further in the same.

We, in Bengal, under the leadership of Hon'ble Chief Minister, ' Mamta Banerjee ', are foreseeing a change for the betterment of society in whole and visualizing a bright future of the industry. DIDI has successfully prevented strikes, lock-outs, obstructions and has created a fearless environment for the entrepreneurs.

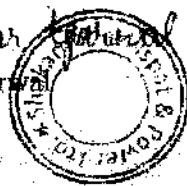

However, Sir, if this situation continues and hard action is not taken to prevent this, how can we and our workers feel safe and secure and continue production and also to invest further. We shall be compelled to stop production and shut down of the unit, resulting in huge losses to us as well as the society in a whole.

Anticipating early and full cooperation from your end.

Thanking You,

For Shakambhari Ispat & Power Limited

Deepak Kumar Agarwal  
Director
