5/24/24,

1. **Digitization of the entire library**: The library has been digitized, making it accessible online through various platforms like Google Books, JSTOR, and the university's digital repository. This allows students and researchers to access the collection from anywhere in the world.

2. **Online cataloging and search functions**: A modern online catalog system is available, which includes a search function that allows users to search by keyword, author, title, or subject. The catalog also provides links to full-text documents where available.

3. **Virtual reference services**: The library offers virtual reference services, such as chat, email, and phone support, which are available 24/7. These services provide assistance with research questions and help users navigate the library's resources.

4. **Interlibrary loan services**: The library has agreements with other libraries to borrow books and articles that are not available in the collection. This service is available online through the library's website.

5. **Study carrels and study rooms**: The library features several study carrels and study rooms, which are designated for quiet study and group work. These spaces are located on the upper floors of the library building.

6. **Group study rooms**: The library has several group study rooms, which are designed for collaborative work. These rooms are located on the upper floors of the library building.

7. **Reading rooms**: The library has several reading rooms, which are designated for quiet study and reading. These rooms are located on the upper floors of the library building.

8. **Study carrels**: The library features several study carrels, which are designated for quiet study and reading. These carrels are located on the upper floors of the library building.

9. **Group study rooms**: The library has several group study rooms, which are designed for collaborative work. These rooms are located on the upper floors of the library building.

10. **Reading rooms**: The library has several reading rooms, which are designated for quiet study and reading. These rooms are located on the upper floors of the library building.
