Sir, In producing herewith one seized vehicle (Tractor) bearing registration No. WB55/3534 loaded with sand in a trolley bearing no WB55/2575. The fact of the case in brief is that on 12/01/2017 evening I along with force were on evening mobile duty on Kashipur - Chatna road. During mobile duty on 12.01.2017 at about 19:35 hrs received a credible source information that the above noted (Tractor) is coming from Natungram side towards Bishohoritola morh loaded with sand. After receiving this information we were proceeding towards Bishohoritola morh under Kashipur P.S. When we reached near Bishohoritola morh under Kashipur P.S, found that the above noted (Tractor) was coming from Natungram village. On seeing the Police party the driver of the said tractor stopped the tractor in a distance from Bishohoritola morh and tried to unload the sand loaded in the said tractor. We rushed to the tractor then the driver fled away after keeping the tractor near Bishohoritola morh at 20:15 hrs. We searched the said tractor and found that the tractor is loaded with sand. I searched for any valid documents in respect of sand loaded in the tractor as well as the valid documents in respect of that tractor but nothing found. Hence I seized the tractor bearing registration No WB55/3534 loaded with sand in the trolley bearing no WB55/2575 under proper seizure list in presence of available witnesses duly signed by them. Thereafter arranging a driver from my source I brought the said tractor to Kashipur P.S. As such there is every reason to believe that the driver and owner of the vehicle bearing registration No WB55/3534 transporting sand illegally with ill motive without any valid document in support of carrying sand. So they are liable for offence punishable U/S 379/411/414/120B IPC & 21 (1)(4) Mines and Minerals (R&D) Act-1957.

Therefore, I pray before you that a case against the driver and owner of vehicle (Tractor) bearing registration No WB55/3534 may kindly be started and arrange for its investigation.

Yours faithfully
