Sir,

In producing herewith one truck bearing No. WB 23A/4565 loaded with stolen steam coal approx 15 MTs with proper seizure list. Fact of the case in brief is that on 10.01.17 at about 18:25 hrs. myself along with C/08 Tapan Kr Mahato and C/894 Dhananjay Mondal were on mobile duty on Raghunathpur - Santaldih road and received a source information that the above noted vehicle is coming loaded with steam coal from Dubra side towards Raghunathpur. After receiving this information we had been to Raghunathpur - Santaldih road near Babugram more and placed Naka Checking with a view to intercepted said vehicle. At 19:45 hrs we found that the above noted vehicle is coming from Dubra side. Seeing police, driver of the said vehicle attempted to flee away but on being chased the driver stopped the vehicle on road and fled away in the dark side. I searched the vehicle and found that about 15 MTs steam coal loaded in this vehicle and the key of the vehicle has been left away by the driver. Made several attempts to find out the driver but failed to traced him out. No public witness was available there. It is reasonable to believe that driver and owner of the said vehicle collected the said coal either theft or by any illegally means and transporting to run a clandestine business for wrongful gains and habitual to run this business. So the driver and owner of the said vehicle are liable for punishable offence U/S 379/411/413/414 IPC, I seized the said vehicle loaded with 15 tons steam coal under proper seizure list.

I therefore pray that kindly start a case against driver and owner of the said vehicles and other as per law and arrange its investigation.
