Sub:- FIR.

Sir,

In producing herewith the seized vehicle (POWERTRAC, 439 tractor) of Blue Colour, with registration number WB-55B-2431, bearing Engine No- 3531252 and Chassis No- T053471977KJ attached with Trolley (without registration number) loaded with sand.

The fact of the case in brief is that today i.e. on 05.12.2020 during my anti crime mobile duty received a secret source information that a tractor is coming from Kansai river loaded with sand towards Dhadkidih village. I informed the matter to O/C Puncha PS and as per order I along with force proceeded towards Dhadkidih village. When we reached near Dhadkidih village at 09.05hrs, I found that the above noted Tractor was coming from Kansai River towards Dhadkidih village. On seeing the Police the driver stopped the tractor and fled away after keeping the tractor near Dhadkidih village. On searching properly I couldn't find any document except the sand loaded in the tractor. Proper search revealed that the tractor was bearing Registration number WB 55B 2431; Engine No- 3531252 and Chassis No- T053471977KJ. There was every chance to believe that the owner of the tractor is transporting sand illegally without valid document in support of carrying sand with ill motive. So he is punishable U/S- 379/411/414 IPC and 21(1)(4) of mines & minerals (R&D) Act 1957. Then I seized the said vehicle (POWERTRAC, 439 tractor) of Blue Colour with registration number WB-55B-2431, bearing Engine No.- 3531252 and Chassis No.- T053471977KJ attached with a Trolley (without registration number) loaded with sand under proper seizure list in presence of available witnesses duly signed by them. I brought the seized tractor to PS.

Under the above facts and circumstances kindly take appropriate action against the driver and owner of tractor bearing Engine No- 3531252 and Chassis No- T053471977KJ under proper section of law.
