Sir,

In producing here with one arrested accused person namely Dactar Murmu (27 Yrs) S/o- Amin Murmu of Vill- Herbona, PS- Barabazar, Dist- Purulia and brought under seizure (i) Tractor (JOHN DEERE) registration number not found, Chassis No- 1PY5105DAJA007702, Engine No- PY3029D499144 attached with trolley loaded with 4 Metric Ton stone (ii) Tractor (SWARAJ) registration number not found, Chassis No- WZTG30428133623, Engine No- 39.1354/HF006937A along with 2 Iron made SHABAL, 1 Hammer, 2 DHAMA & seizure list; I beg to state that I received information that illegal excavation of stone is going on under the Latpoda G.P area.

I communicated the matter to I.C Barabazar PS and as per direction myself along with C/- 2527 Amit Kr. Mishra, C/- 347 Manas Kr. Pathak, C/- 677 Syed Juhar Ali & C/- 2045 Sagar Ram left PS to verify the information and holding raid at Latpoda G.P area vide Barabazar PS GDE No- 756 Dtd. 15.09.2021 and C.C No- 2104/2021 Dtd. 15.09.2021 with Govt vehicle. I was carrying a normal investigation kit box with me and electronic gazettes.

I had been to Herbona at around 17.55 hrs. Meet with source. He stated that the illegal mining may take place under the cover of darkness. Accordingly we started waiting at a considerable distance and in a thinly populated place to maintain secrecy.

Around 20.15 hrs we left for Gohomikocha area. Kept the vehicle in at a distance and proceed to reach the place as identified by the source by foot.

As per information and as shown by source we reached at Gohmikocha morh on Herbona to Gohmikocha pitch road at the latitude and longitude of 23.019299 , 86.420287 and found 02 Tractors are lying by the side of a stone quarry beside pitch road. We rushed there. But it was too difficult to reach because the land situation was not friendly one. There was stairs like situation and which may cause injury if any one new person runs.

Seeing the Police party 3-4 persons started to flee away. After a hot chase we managed to apprehend one person. Then we searched the area and found 02 Tractors among them one tractor attached with trolley which is loaded with approx 4 M.T stone CHELY (raw stone) and another tractor without trolley in which 02 iron made SHAVAL, 02 DHAMA and 01 iron hammer. On interrogation the apprehended person disclosed his identity as noted above. I asked him to produce any valid documents in r/o excavated stone which is loaded in trolley and whether he has any permission for quarry stone on that land but he failed to produce any valid document for excavation of stone. He also admitted that he is the driver of one Tractor (John Deere) registration number not found, Chassis No- 1PY5105DAJA007702, Engine No- PY3029D499144. He along with both the Tractor owners and others is doing this illegal act of stone excavation.

Accordingly, I seized the above noted vehicle and other articles under proper seizure list (in between 21.05 hrs and 21.45 hrs)duly signed by the witnesses. I also prepared label for- 02 iron made SHAVAL, 02 DHAMA and 01 iron hammer and affixed with the articles. After that I arrested the accused driver as noted above after maintaining all formalities regarding arrest at about 22.05 hrs. I also informed him regarding the grounds of arrest and informed his relative.

I interrogated him at PO in order to ascertain the organizers of these activities. As per his statement some people of Gohomikocha is conducting this activities. Accordingly me along with a part of my team left for Gohomikocha area and rest part of my team kept to guard the place.

We also held raid in different places of Latpoda G.P area. But nothing could be detected. Held an enquiry about the matter and so far information collected it is crystal clear that the drivers and the owners of those vehicles collected the stone by illegal means with intend to make unlawful profit by unlawful collection of stone through illegal manner by unauthorized extraction and removal of minerals.

By this way they committed the theft of minerals. As such there is every reason to believe that the drivers and owners of the said Tractors with ill motive were transporting the stone illegally without any valid document in support of carrying the stone. As such they were doing illegal business activities.

It consumed some time and some delay was occurred to return at PS. After returning at PS, I prepared this letter of complaint and handing over it to I.C BZR PS for starting a case under proper section of law.

Under the above facts and circumstances, I pray before you that kindly take needful action against the driver of the tractors, owner of the tractors and the person(s) responsible for illegal mining of minerals.

Enclosed:

- 1) One original Seizure List Dtd. 15.09.2021
- 2) Arrest Memo

Manas Kumar Pan
