Respected Sir,

I, PSI Surajit Kumar Das of Tamna PS along with force return to PS and brought seized one Red colour MAHINDRA YUVO 415 DI Tractor bearing Engine No- NLH5FAE0080 & Chassis No- MBNSFAVEBLNH00432 along with sand (Approx 100 cft.) loaded trolley and lodged this complaint to the effect that on 21.09.2021, myself along with force i) C/2614 Jayanta S.M. Patra and ii) N.V.F/1095 Tanuram Mahato were performing PS area special Night mobile duty vide Tamna PS GDE No- 939. Dated- 21.09.2021. During my Night mobile duty on 21.09.2021 at about 03:15 hrs received credible source information that one Red colour Tractor is lifting sand illegally from Kansai Riverbed at Dumursole sand Ghat under Tamna PS, Dist- Purulia. Accordingly myself along with force left to work out the said source information. Then, we intercepted the aforesaid tractors at Dumursole sand Ghat under Tamna PS, Dist- Purulia at about 03:45 hrs and found that the above noted tractor was tagged with a trolley loaded with sand (approx 100 cft.). But seeing the Police party, driver of the tractor fled away leaving the said tractor with sand loaded trolley at said Dumursole sand Ghat under Tamna PS. We tried to apprehend them but failed. So there is every ground to reason to belief that the owner and driver of above noted tractor dealing in sand business in clandestine manner. We waited for reasonable time but none came forward and produce any proper challan or any valid documents related to the said loaded sand of above detained tractor. So, I seized the said Red colour MAHINDRA YUVO 415 DI Tractor bearing Engine No- NLH5FAE0080 & Chassis No- MBNSFAVEBLNH00432 along with sand (Approx 100 cft.) loaded trolley.

I like here to note that the said tractor got stuck into the mud near Dumursole sand Ghat under Tamna PS, Dist- Purulia for which a long time wasted at that place to tackle the situation.

On return to Tamna PS, kept the aforesaid seized tractor attached with sand loaded (Approx 100 cft.) trolley at PS compound and I do here by submitting written complaint before you to start a cog case against the owner and driver of the tractor bearing Engine No- NLH5FAE0080 & Chassis No- MBNSFAVEBLNH00432 under proper section of law.

Date: 21.09.2021
