Dated 26/04/2022. Ref:- Kotshila PS GDE No. 1009

Sir,

In producing herewith one tractor bearing registration no. WB-55B/4480 (model- JOHN DEERE 5105 - Green Colour), Chassis No. 1VY5105DALA015747, Engine No. PY3029D567271 attached with trolley loaded with sand under proper seizure list. I beg to submit that today (26/04/2022) I along with (1) C/982 Shymal Rajwar (2) C/292 Krittibas Mahato both of Kotshila P.S were performing Special Day Mobile duty vide Kotshila PS CC No. 655/22 Date-. 26.04.2022. During my Special Day mobile duty at about 10.15 hrs I along with force reached at Banahata village near Kansai River under Kotshila PS and found that one Green colour tractor bearing registration no. WB-55B/4480 named as 'JOHN DEERE 5105' attached with trolley loaded with sand was coming from Kansai River Bridge side beside Kansai River near Banahata village. On seeing the Police party near Banahata village, the driver of the said tractor was fled away. But we could able to detain said tractor. I asked some local people about the driver and owner of the tractor but none turn up at that time for producing any valid documents in respect of loaded sand. It is clear that the driver and with the consent of owner of the tractor transporting sand by illegal manner for selling the same to make profit by dishonestly for running clandestine business as I along with force waited there near about half an hour in asking for driver or owner. Finding no other way, I seized the tractor bearing registration no. WB-55B/4480 (model- JOHN DEERE 5105 - Green Colour) and (Chassis No. 1VY5105DAA015747, Engine No. PY3029D567271) attached with trolley under proper seizure list in presence of available witnesses duly signed by them. As such there is every reason to believe that the driver and owner of the tractor with ill motive are habitually dealing with sand illegally for selling the same to make profit by dishonestly for running a clandestine business without any valid document. So they are liable for offence punishable U/S- 379/411/414/120B IPC & 21 (1) (4) Mines and Minerals (R&D) Act-1957.

Therefore, I pray before you that a case against the driver and owner of the tractor may kindly be started and arrange for its investigation.
