After receiving the said information we were proceeding towards jadhudih village near vison factory under Santuri P.S jurisdiction and reached there and seeing that said three truck were parked there but none one present there in respect of said truck. We tried to find out the driver or any one in respect of said three truck but failed. After that we searched the said truck for valid documents in respect of transportation of the coal and in respect of the said vehicle but did not found any valid documents in respect of transportation of the coal and in respect of the said vehicle. It is reasonable to believe that the owners, drivers of said vehicles have been transporting said illegal coal by that Vehicles.
