I took photographs of each and every leaflet before seizure. All leaflets are written in Bengali in 06 (Six) leaflets and 01 (one) in Hindi script.

From the above such leaflets it was clearly indicated that the miscreants created a group and with criminal conspiracy collected leaflets and make them prepared for the assigned work as well as engaged themselves in waging war against the State.

I also examined different villagers from where the leaflets were found. They searched other adjoining villages also but did not found any other leaflets, posters etc.

Therefore, I pray that a specific case may kindly be started against unknown miscreants under proper section of law.
