Sub: Prayer for lodged FIR.

Respected Sir.

In producing herewith one Tractor having Reg. No- WB55A-5087 with trolley loaded with approx 100 c.f.t sand, seizure list, seized articles.

I beg to state that on 22.09.2022 myself along with (i) C/358 Ganesh Ch. Roy, and (ii) C/253 Aarabinda Mallick, were performing Evening mobile duty vide Boro PS GDE No. 1406 Dtd- 22.09.2022, C.C. No- 2612/2022, Dtd: 22.09.2022, with Govt. vehicle Reg. No. WB 42S/4996, at about 18.15 hrs received a credible source information that one tractor was standing at Chakla more near Chalka Nadighat side under Boro PS loaded with sand illegally. Accordingly I informed the matter to O/C Boro PS over phone and as per direction of OC Boro PS, I along with force left for Chalka More to work out the information and when we were reached at near Chalka more under Boro PS at about 18.35 hrs, found one tractor standing at Chalka more side and seeing the Police party driver of the said vehicle kept the tractor on the side of road and fled away from there. I along with force rushed to the spot and found one tractor bearing Reg. No. WB55A-5087 with trolley loaded with approx 100 c.f.t sand and standing beside the pitch road. We searched for driver and owner of the said tractor but none turned up.

I conveyed the same to O/C Boro PS. I thoroughly search the nearby 2 KM areas in radius after placing guard for the vehicle. After that I came back and search the tractor for papers of the vehicle. All my efforts ended in smoke. I found no paper / documents relating to vehicle or loaded sand.

Accordingly I seized the Tractor having Reg. No- WB55A-5087 with trolley loaded with approx 100 c.f.t under proper seizure list which has been duly signed by witnesses. The seizure was done in between 19.05 hrs to 19.35 hrs on 22.09.2022.

Held an enquiry about the matter and I went up Chalka village area in search of the driver. So far information collected it is crystal clear that the driver and the owner of the said tractor, are in a trade of illegal trading of sand. They were carrying the sand by illegal means with intent to make unlawful profit by unlawful collection of sand through illegal manner by removal of mines & minerals.

By this way they violated the regulation of procurement of sand. As such there is every reason to believe that the driver and owner of the said tractor with ill motive were transporting the sand illegally without any valid document in support of carrying sand. They violated the Govt. orders. As such they were doing illegal business activities.

Under the above facts and circumstances, I pray before you that kindly take needful action against the driver and owner of said tractor.
