Ref:- Para PS GDE No - 474 Dated - 11/09/2022.

Sir,

In producing here with two motor cycles 1) One red colour Pulsar NS 160 bearing No- WB56N/6182, 2) One Black colour Hero Igniter without number plate loaded with approx 200 K.G stream coal each in Four gunny bags and 04 (Four) M.T stream coal and weight machine I beg to report that today on 11.09.2022 at 23.45 hrs duty officer ASI Mrityunjoy Bhakat receipt a secret source information that few motor cycles loaded with coal and some stream coal staging in an open land at Ketlapur Bhatghar more under Para PS, Dist- Purulia after procuring the same by illegal means for clandestine business to transport the coal by Fainul Sha S/o Lt- Israil Sha of Village- Bamunbaid, PS- Para, Dist- Purulia and others . Informed the same to O/C Para P.S. This refers to Para P.S. GDE No. 474 dt. 11.09.2022 and as per direction of O/C Para P.S. myself being accompanied with force reached at near Ketlapur Bhatghar more at 00.25 hrs and found that above noted motor cycles loaded with coal and some stream coal staging in an open land. I along with force tried to detain the said motor cycles, Fainul Sha S/o Lt- Israil Sha and others involved persons, but seeing the police party, the riders of motor cycles, Fainul Sha S/o Lt- Israil Sha and others fled away after perking the motor cycles near Ketlapur Bhatghar more. On searching found the two motorcycles loaded with stream coal in two gunny bags, 04 (Four) M.T stream coal and weight machine. Myself also performed a local enquiry into the area and also consulted with my source. During enquiry it was revealed that the said motor cycles were frequently used in transporting coal from Jharkhand side, So there was sufficient reason to believe that the riders of motor cycles as well as the owner of the said motor cycles were directly involved in this clandestine business procuring the coal by illegal means for clandestine business with view to transporting the same coal. I have waited for some time but none turn up to claim as owner of the said motor cycles as well as said coal. During local enquiry it could be learnt that Fainul Sha S/o Lt- Israil Sha of Village- Bamunbaid, PS- Para, Dist- Purulia and others were operating this business procuring coal from Jharkhand side by means of theft it was running in a clandestine manner. Hence I seized 1) One red colour Pulsar NS 160 motor cycle bearing No- WB56N/6182 loaded with approx 200 K.G stream coal in two gunny bag, 2) One Black colour Hero Igniter without number plate, chassis and engine number tempering loaded with approx 200 K.G stream coal in two gunny bag, 3) 04 (Four) M.T stream coal and 4) One weight machine after preparing proper seizure list duly signed by witness and brought the same at P.S.

Therefore, I pray before you that a specific case against the above noted persons may kindly be started as per proper section of law.
