Sir,

In producing here with one arrested accused person namely Jagannath Sing Bhumij (27 Yrs) S/o- Dolgobinda Sing Bhumij of Vill- Lakhandih, PS- Balarampur, Dist- Purulia driver of Tractor having registration No- WB 55B 0358 and brought under seizure 02 Tractors (i) Tractor (New Holland 3037 NX Plus) registration number not found, Chassis No- NHN30370ZGG360374, Engine No- S325H26585 attached with empty trolley (ii) Tractor (New Holland 3037 NX Plus) registration number WB 55B 0358, Chassis No- NHN30370ZKB460330, Engine No- S325K15567 attached with trolley loaded with approx 80 cft stone under proper seizure list.

I beg to state that during mobile duty at Kukurchari morh along with C/- 1187 Samarkanta Maiti & C/- 677 Sayed Julhar Ali left PS to verify the information and holding raid at Berada G.P area vide Barabazar PS GDE No- 761 Dtd. 14.11.2022 and C.C No- 2584/2022 Dtd. 14.11.2022 with Govt vehicle received an source information that illegal excavation of stone is going on under the Berada G.P at Berada Dungri. I communicated the matter to I.C Barabazar PS and as per direction myself along with accompany force left for Berada Dungri to work out the information. Reached at about 11.45 hrs near beside Berada Dungri kept the vehicle in at a distance and proceed to reach the place as identified by the source by foot. As per information and as shown by source we reached at Berada Dungri and found 02 Tractors are lying by the side beside a stone quarry. We rushed there. But it was too difficult to reach because the land situation was not friendly one.

Seeing the Police party some persons fled away. After a hot chase we managed to apprehend one person. Then we searched the area and found 02 Tractors attached with trolley. Among of them one empty is also ready for loading and one also loaded with approx 80 cft stone (raw stone). On interrogation the apprehended person disclosed his identity as noted above and driver of the Tractor having registration No- WB 55B 0358. I asked him to produce any valid documents in r/o excavated stone which is loaded in trolley and whether he has any permission for quarry stone on that land but he failed to produce any valid document for excavation of stone. He along with both the Tractor owners and others is doing this illegal act of stone excavation.

Accordingly, I seized the above noted vehicle Tractors/stone under proper seizure list duly signed by the witnesses. After that I arrested the accused driver as noted above after maintaining all formalities regarding arrest. I also informed him regarding the grounds of arrest and informed his relative.

Held an enquiry about the matter and so far information collected it is crystal clear that the drivers and the owners of those vehicles collected the stone by illegal means with intend to make unlawful profit by unlawful collection of stone through illegal manner by unauthorized extraction and removal of minerals.

By this way they committed the theft of minerals. As such there is every reason to believe that the drivers and owners of the said Tractors with ill motive were transporting the stone illegally without any valid document in support of carrying the stone. As such they were doing illegal business activities.

It consumed some time and some delay was occurred to return at PS. After returning at PS, I prepared this letter of complaint and handing over it to I.C Barabazar PS for starting a case under proper section of law.

Under the above facts and circumstances, I pray before you that kindly take needful action against the drivers of the tractors, owner of the tractors and the person(s) responsible for illegal mining of minerals.
