Sir,

In producing herewith 02(Two) seized vehicles (Tractors) bearing registration number (i) WB55B/5124 with Trolley loaded with sand and (ii) Tractor bearing registration number JH09AX/1370 with Trolley loaded with sand. The fact of the case in brief is that today on 02.03.2023 I SI Sanjib Kumar Sen along with force were performing mobile duty on Purulia-Ranchi road. During mobile duty at about 16:45 hrs. myself along with force had been to Katabera village and held raid against illegal transportation of sand at Katabera village under Purulia (M) PS. During this period one unknown person of Katabera village informed us that, hearing the arrival of police party, two numbers of Tractors loaded with sand tried to fled away and are kept standing to hide them at a bushy area guarded with dense bamboo trees.

After receiving this information, we proceeded towards the place and after some while we found two numbers of Tractors with Trollies are kept concealed in such a place which is not visible from public road. We searched both the tractors and found that both the tractors are loaded with sand. One tractor bearing registration number (i) WB55B/5124 with Trolley having no registration number loaded with sand and another (ii) Tractor bearing registration number JH09AX/1370 with Trolley having no registration number loaded with sand. I searched for the drivers as well as owners of the Tractors with Trolley loaded with sand but none came forward to stand as drivers of the Tractors as well as owners of the Tractors. I also searched for the owner of the land where the Tractors were kept concealed and one Sukumar Mahato S/o Lt. Bistu Mahato of Kantabera, PS-Purulia (M), Dist-Purulia arrived and stated that he is the owner of the place and the land is kept open which he use as his courtyard. He also stated that he does not know the drivers as well as owners of the Tractors with Trollies loaded with sand. He also stated that, today from 15:00 hrs. he was not present at his house at that time, someone has kept the said Tractors with Trollies loaded with sand at his courtyard which is at the back side of his dwelling house. The Tractors with Trollies loaded with sand are kept without his consent and he is not aware of the fact.

I also searched for any valid documents in respect of sand loaded in the Tractors as well as the valid documents of both the Tractors but nothing found. Hence, I seized both the tractors bearing registration number (i) WB55B/5124 with Trolley without registration number loaded with approx. 80 (eighty) CFt. sand from which approx. one Kg. sand seized as sample and (ii) Tractor bearing registration number JH09AX/1370 with Trolley without registration number loaded with approx. 100 (one hundred) CFt. sand from which approx. one Kg. sand seized as sample under proper seizure list in presence of available witnesses duly signed by them. Thereafter arranging two drivers from my source I brought both the tractors with trollies loaded with sand to Purulia (M) P.S.

As such there is every reason to believe that the drivers and owners of both the Tractors bearing registration number WB55B/5124 and Tractor bearing registration number JH09AX/1370 respectively with ill motives are transporting sand illegally without any valid document in support of carrying sand. So, they are liable for offence punishable U/S 379/411/120B IPC & 21 (1)(4) Mines and Minerals (R&D) Act-1957.

Therefore, I pray before you that, a case against the drivers and owners of vehicles Tractor bearing registration number WB55B/5124 and Tractor bearing registration number JH09AX/1370 may kindly be started and arrange for its investigation.
