Sir,

In producing herewith one seized vehicle i.e. Dumper bearing Registration Number-**WB37D/0155** loaded with sand (Approx. 600 cft). The fact of the case in brief is that on 11/03/2023 I, ASI Madhu Mangal Bauri of Santuri P.S along with force was on evening mobile duty at P.S area. During mobile duty on 11/03/2023 at about 16:45 hrs received credible source information that one Dumper loaded with sand is coming from Balitora Petrol Pump side under Santuri PS. After receiving this information we were proceeding towards Balitora Petrol Pump to work out the information. When we reached near Balitora Petrol Pump, found that one Dumper loaded with sand (Approx. 600 cft) is coming from Balitora Petrol Pump side. On seeing the Police party the driver fled away. Hence, I seized the Dumper bearing Registration Number-**WB37D/0155** loaded with sand (Approx. 600 cft) under proper seizure list in presence of available witnesses duly signed by them. Thereafter, I brought the said Dumper bearing Registration Number-**WB37D/0155** loaded with sand (Approx. 600 cft) to Santuri P.S. As such there is every reason to belief that the driver and owner of the Dumper bearing Registration Number-**WB37D/0155** loaded with sand (Approx. 600 cft) with ill motive are transporting sand illegally without any valid document in support of carrying sand. So, they are liable for offence punishable U/S 379/411/120B IPC & 21 (1) (4) Mines and Minerals (R&D) Act-1957.

Therefore, I pray before you that a case against the driver and owner of Dumper bearing Registration Number-**WB37D/0155** loaded with sand (Approx. 600 cft) may kindly be started and arrange for its investigation.

Yours faithfully,

Madhu Mangal Bauri
