Ref: Kotshila PS GDE No. 448 Dated-11.09.2023.

Respected Sir,

In producing herewith seized 02 (two) Blue Colour Tractors without Registration number and having (1) Chassis No. T053631029KM, Engine No. E3712204 & model - EURO 47E16 POWERTRAC attached with trolley loaded with sand (100 CFT (approx) & (2) Chassis No. T053444496BH, Engine No. E3500133 & model POWERTRAC 437 attached with trolley loaded with sand (100 CFT (approx) under proper seizure lists. I beg to submit that, today (11.09.2023) I, SI Purnendu Datta along with force C/806 Somnath Saha and C/983 Radhakanta Kisku both of Kotshila P.S were performing Special Mobile duty vide Kotshila PS CC No. 2406/2023 Date-11.09.2023 at Rakhbarh more side. During my mobile duty at about 17:15 hrs received a credible source information that 02 (two) nos. of Blue colour Tractors attached with trolley loaded with sand are coming from Kansai Bridge from Begunkodar side towards Kochahatu village side on Begunkodar-Rakhbarh pitch road. Accordingly I along with force reached at near Kansai Bridge under Kotshila PS and found that 02 (two) Blue colour tractors without Registration number attached with trolley loaded with sand (100 CFT approx) each are coming from Begunkodar side on Begunkodar-Rakhbarh pitch road. On seeing the Police party near Kansai bridge under Kotshila PS, the drivers of the said Tractors kept the above noted tractors beside the pitch road and fled away. We rushed to the spot but could not trace out the drivers near by the tractor or surrounding the area. I along with force waited some time and asked some local people about the tractor and loaded sand also its valid documents, but nobody turned up, Accordingly I search the Chassis Number and Engine Number of the both tractors and found as noted above. Hence, I seized the both the Tractors i.e (1) Chassis No. T053631029KM, Engine No. E3712204 & model - EURO 47E16 POWERTRAC attached with trolley loaded with sand (100 CFT (approx) & (2) Chassis No. T053444496BH, Engine No. E3500133 & model POWERTRAC 437 attached with trolley loaded with sand (100 CFT approx) in each trator under proper seizure list in between 17:45 hrs to 18.05 hrs in presence of available witnesses and I brought the said Tractors to Kotshila P.S. As such there is every reason to believe that the driver and owner of the said Tractor are dealing with sand illegally and habitually also transporting with ill motive without any valid documents

Hence, they are liable for offence punishable U/S 379/411/413/414/120B IPC & 21 (1) (4) Mines and Minerals (R&D) Act-1957.

Therefore, I pray before you that a case against the drivers and owners of the above noted 02 (two) Tractors may kindly be started and arrange for its investigation.
