At about 22:20 hrs. I along with my Police Team of Bagmundi PS reached at Banshitarn More and after a while, the police team from district head quarter comprising of 05 (Five) officers and 20 (Twenty) force equipped with sophisticated weapons, under the leadership of Superintendent of Police, Purulia arrived there. After that, as per kind order of Superintendent of Police, Purulia, all force and officer of both the team fell-in for briefing and then proceeded towards the Chounia jangle patch (target place) in cross country movement maintaining all SOP of jungle operation. After almost one and half hours, we reached the target place and planned an ambush at the probable area to intercept the subject as per source information. After some time we observed a person approaching towards to jungle using footmarks from the opposite side. We had previous information that the subject is equipped with sophisticated fire arms loaded with ammunitions. Accordingly he was allowed to come inside our ambush point and then without any delay we intercepted him from the backside with utmost caution, allowing him no chance to escape or to use the fire arms. We immediately took out his bag from his back. At that very moment that intercepted person started slogans "Maobad Jindabad... Jhuta Swadhinata Murdabad... On search we found a sophisticated small fire arms loaded with ammunition from the said bag along with some documents in the form of magazine, pamphlets and leaflets and others articles including some cash as mentioned above.

He also disclosed that he came here to attend a secret meeting with his counterparts of neighbouring areas with a view to recruit the new cadres at the Jungal Mahal area, to revive the Arms Squad with a view to organise subversive activities against the State and disturbing the peace and tranquillity of the Jungle Mahal. He further disclosed regarding the execution of some secret agendas to send some message to Government by destroying government properties and eliminates some targets. He also admitted his aim of circulation of organisational documents to other members, and to hand over some organisational letters and collected fund (raised through Levy) to some another important counter part of the organisation as per direction.
