At first they blocked the main gate of the project site to disrupt the entire progress of work. Then, they forcibly interrupted the movement (ingress & egress) of employees and workmen of the plant. It may be noted that Mr. Mustafa Ansari was previously also been involved in various instances of violence, promoting of theft by the local persons and abusing employees and management staffs at our plant premises.

They are hurling abuses and threatening to hurt to our people. Due to this nuisance, violence caused by them, our employees, workmen and contractors are feeling unsafe and terrified and there is every chance of loss of life and also law & order in the local area.

Thus, it is becoming very difficult for us to execute the project works. We are also facing huge financial losses due to this illegal assemble, violence and public nuisance. It is also apprised that our plant inauguration date is also near and any further hindrance in work would thereby affect the same. Thus we need your police assistant to save our life and property and also urge for police protection for employees, workers and management staffs of our company, against any violence, unlawful assemble and instigation which is causing obstruction in the work of our project.

Under such circumstances, on behalf of the Company-Shyam Steel Works Pvt. Ltd., it is most humbly requested to treat this written complain as First Information Report and to punish them as per law.

Thanking you,

Yours faithfully,

Mr. Rajesh Chandra Shukla
