Sir,

In producing here with 02 (two) arrested accused persons namely (i) Dhananjay Mahato (29 yrs) S/o Anantalal Mahato of Vill-Jorgoria, PS-Boro, Dist-Purulia (& (ii) Ajoy Rajwar (22 yrs) S/o Gour Rajwar of Vill-Kawatanga, PS-Boro, Dist-Purulia driver and Helper of Dumper having registration No- WB29B-5989 and brought under seizure 01 Dumper having Reg. No WB29B-5989 loaded with approx 33 (thirty three) Ton stone under proper seizure list.

I beg to state that during mobile duty at PS area along with C/1187 Samar Maity & C/3218 Sukchand Mandi left PS to verify the information and holding raid at Sindri G.P. area vide Barabazar PS GDE No- 1141 Dtd. 20.02.2024 and C.C No- 783/2024 Dtd. 20.02.2024 with Govt vehicle received a source information that illegal excavation of stone is going on under the Sindri G.P at Jiling Morh. I communicated the matter to I.C Barabazar PS and as per direction myself along with accompany force left for Jiling Morh to work out the information. Reached at about 19:05 hrs near beside Jiling Morh, kept the vehicle in at a distance and proceed to reach the place as identified by the source by foot. As per information and as shown by source we reached at Jiling Morh and found 01 Dumper is lying by the side loaded with stone granite. We rushed there and detained it.

Seeing the Police party some persons fled away. After a hot chase we managed to apprehend 02 persons. Then we searched the area and found 01 Dumper loaded with stone approx 33 (thirty three) Ton. On interrogation the apprehended persons disclosed their identity as noted above. I asked them to produce any valid documents in r/o excavated stone which is loaded in Dumper and whether they have any permission for granite stone but they failed to produce any valid document for excavation of stone. They along with the Dumper owner and others is doing this illegal act of stone excavation.

Accordingly, I seized the above noted vehicle (Dumper) /stone under proper seizure list duly signed by the witnesses. After that I arrested the accused driver and helper as noted above after maintaining all formalities regarding arrest. I also informed them regarding the grounds of arrest and informed their relative.

Held an enquiry about the matter and so far information collected it is crystal clear that the driver, helper and the owner of the vehicle (Dumper) having Reg. No WB29B-5989 collected the stone by illegal means with intend to make unlawful profit by unlawful collection of stone through illegal manner by unauthorized extraction and removal of minerals.

By this way they committed the theft of minerals. As such there is every reason to believe that the driver, helper and owner of the Dumper with ill motive were transporting the stone illegally without any valid document in support of carrying the stone. As such they were doing illegal business activities.

It consumed some time and some delay was occurred to return at PS. After returning at PS, I prepared this letter of complaint and handing over it to I.C Barabazar PS for starting a case under proper section of law.

Under the above facts and circumstances, I pray before you that kindly take needful action against the driver, helper & owner of the Dumper and the person(s) responsible for illegal mining of minerals.
