– Request for inspection of the accident occurred at Chas more ROB on 07.02.2024.

Sir,

I, Mr. Nigamananda Nayak, Project Manager- Highway, at Dineshchandra R. Agrawal Infracon Pvt. Ltd. of Purulia-Chandil, NH-32 Project.

I hereby inform you, that an accident had been occurred at our project stretch at A1 side of the ROB at Km. 74+654 (Chas more) on dated 07.02.2024 at 08:15 PM (approx.)

At that time some construction activity have been going on that location. Suddenly a motor cycle with two passenger having bike no. JH09-AU-6860 recklessly entered into that location with breaking down the no-entry barrier and running the bike over A1 approach and fall down into the railway viaduct portion of ROB. When they entered into the construction zone our watchman tried his best to stop them to move forward and light on his torch to attract their attention but he failed because the bike riders were drunked and recklessly driving the bike and not in position to hear the shout of our watchman.

As a result an accident occurred and they injured very badly. After that they had been sent to Purulia Sadar Hospital, the doctor examined their body and declared that they were no more.

Thereafter, of that incident we came to know that the bike rider was Swapan Mahto (Age 35 yrs), son of Hiralal Mahto and the other who sited on his back was Ananda Mahto (Age 35 yrs), son of Shambhunath Mahto. They are the permanent resident of Vill- Rani Bandh, PS- Purulia (Mafashal) and Dist.- Purulia.

Therefore, I request you to kindly inspect the above incident at the earliest.

Thanking you,

Yours sincerely,

For, Dineshchandra R. Agrawal Infracon Pvt. Ltd.
