On dated 03.09.2024 at about 03.55 PM I, Sri Aniruddha Ghosh, AE & Station Manager, Adra Customer Care Centre, WBSEDCL along with,

2) Gopal Rewani, Sr. TSH, Adra CCC

Entered the premises of Manas Gorain, S/O- Ajit Gorain of Village- Jiara, P.O- Adra, P.S- Adra, Dist-Purulia and inspected his premises.

During inspection theft of Electricity was found, i.e. he was consuming Electricity dishonestly by direct hooking from nearby LTOH line of WBSEDCL for domestic purpose. While the technical staff was carrying out the de-hooking process, the accused namely Manas Gorain came and snatched some part of hooking wire from the technical person's hand. He also obstructed the authorized representatives of WBSEDCL to enter the premises in order to check the energy meter. Again, it was found that the accused person also has a domestic connection in the same building having Consumer ID - 203176390 which was disconnected on 24.02.2023 and now it has become Deemed Disconnected consumer in our database. He was using his whole house from this said hooking arrangement. Because of this practice by Manas Gorain, WBSEDCL has faced huge loss of revenue.

From the above inspection the total assessed load comes out to be around 721 watts.

1. 3 Nos ceiling Fan (60 watt each) : $3 \times 60 = 180$ watt.
2. 1 table fan (60 watt each) : $1 \times 60 = 60$ watt.
3. 9 Nos LED (09 watt each) : $9 \times 9 = 81$ watt.
4. 1 No TV (200 watt) : $1 \times 200 = 200$ watt.
5. Others = 200 watt

Total = 721 watts.

Out of which the following items were seized:

2 core black color insulated 1.5mm aluminum wire approx 25 meters with hooking arrangement at one end.

The seizure list is prepared at the site but the accused person refused to sign the list. The inspection team left the above premises at about 04.20 PM on dated 03.09.2024. The accused person has committed an offence U/S-135(i)(a) of the Electricity (Amendment) Act-2007.
